

## **City of Hudson – Urban Forestry Tree Program** **Trees Pay Us Back - Buy One-Get One “BOGO”**

### **Help promote Urban Forestry!**

The City of Hudson is launching a campaign challenge to help fund our City Urban Forestry Tree Program.

We are offering a BUY ONE, GET ONE “BOGO” promotion. The money you donate for each tree will be matched by the City of Hudson to purchase an additional tree. All trees purchased will be planted in City parks and on City right of ways. You will receive notification of where the tree is planted.

If interested in purchasing a tree to donate to the program please indicate the monetary amount below of your donation. Please note: The average cost of a tree is \$150.00 and the City will match this donation.
